

“MANAGING FOR WILDLIFE”

Wednesday, September 23, 2009

U. M. Cooperative Extension Office
138 Pleasant St., Suite 1
Farmington, ME

Please join us!

This workshop will teach the basics of how to manage your woodlot for wildlife.

In addition, you will learn about NRCS financial assistance to conserve and enhance wildlife habitat on your land.

Workshop will start at Noon and end at approximately 5:00 PM.

Fawn in Woods (Ed Butler)
